Ford  
THE UNIVERSAL CAR  
INTERESTING FACTS  
105,799 Ford Cars and Trucks  
Retailed in December.

Approximately the same number scheduled  
for delivery this month.

WHAT DOES THIS MEAN?

THIS VOLUME OF DELIVERIES TO ACTUAL OWNERS IS ENTIRELY  
UNPRECEDENTED FOR THIS TIME OF THE YEAR—  
IT HAS TAXED THE MANUFACTURING ABILITY OF THE FORD PLANTS  
WORKING AT FULL CAPACITY—

IT INDICATES A VOLUME OF BUSINESS DURING THE RAPIDLY AP-  
PROACHING MONTHS OF "HEAVY DEMAND" WHICH WILL BE FAR  
BEYOND THE MAXIMUM PRODUCTION SCHEDULE WHICH THE FORD  
MOTOR COMPANY HAS SET—

AND THAT MEANS A FORD SHORTAGE EVEN MORE ACUTE THAN  
THE ONE WHICH EXISTED LAST SPRING AND SUMMER.  
DEALERS' STOCKS ALL OVER THE COUNTRY ARE LOW—THERE ARE  
NO RESERVES TO DRAW UPON TO MEET THE DEMANDS FOR DE-  
LIVERY—

THERE IS NO WAY IN WHICH DEALER RESERVES CAN BE BUILT  
UP, AS DELIVERIES HAVE BEEN MADE TO CUSTOMERS AS FAST AS  
CARS COULD BE MANUFACTURED SINCE LAST APRIL.

THE ONLY WAY YOU CAN PROTECT YOUR DESIRE TO OBTAIN  
PROMPT DELIVERY OF A FORD EVEN AT THIS TIME IS TO PLACE  
YOUR ORDER IMMEDIATELY.

This emphasizes more strongly than anything we could possibly say the  
necessity of your making prompt arrangements with a Ford Dealer for  
the listing of your order, particularly if you are contemplating the pur-  
chase of a Ford Car or Truck for use this Spring or Summer.

WE BELIEVE YOU ARE ENTITLED TO KNOW THESE FACTS AS THEY  
ACTUALLY EXIST.

### MISS ETHEL HUTZLER HURT

Miss Ethel Hutzler was seriously hurt Monday afternoon, and is now in the Santa Rosa Infirmary, San Antonio. She is in company with Miss Willa Mae Gaines, were horse-back riding, they were on the cemetery road and were going at a rather lively gallop when they noticed the concrete slab on the road ahead and tried to check their speed; the horse ridden by Miss Hutzler could not get a footing on the slab, slipped and fell, catching the left leg of the young lady under him, fracturing the member just below the hip. Surgical assistance was soon available, and aid rendered. As the surgeons feared injury to the knee joint, the patient was carried to the city on Tuesday morning train, an X-ray was made which disclosed no injury to the knee joint, but which showed that the broken leg would have to be re-set to guard against any future inconvenience and it was decided to make this new adjustment as soon as the swelling was sufficiently subsided, probably the coming Tuesday or Wednesday.

Mrs. Hutzler went to the infirmary with her daughter and remained until Wednesday. She will return to the city when the surgeon makes the new adjustment. She reports Miss Ethel as getting along as well as could be expected, and the attending Surgeon is of the opinion she will suffer no permanent injury. However, she is in for quite a siege in the hospital, but the good sisters are doing their utmost to make her enforced stay with them as pleasant as is humanly possible.

Her brother Albert, went to the city today and will remain with her until Sunday evening; Mrs. Hutzler will return to her bedside the first of the coming week, and everything will be done to make her stay in the institution as little irksome as possible.

The people of Hondo are both grieved and rejoiced over the mishap to the young lady, for those who witnessed the accident regard it as almost a miracle that she was not more seriously hurt.

[Two for One]—BABY SHOW AT STAR THEATRE MONDAY.

If Hondo's younger generation is receiving a few extra touches during this week it is a quite natural thing, they are being groomed for the Baby Show at the Star Theatre Monday night.

Messrs. Maloney and Hawkins who are in charge of the contest have endeavored to photograph all the babies of the city. These will be shown on the screen Monday night in a prize contest.

A number of valuable prizes are being awarded by the leading merchants of Hondo as follows.

First Prize: Windrow's Drug Store One baby's ivory toilet set, \$5.00 value.

Second Prize: E. R. Leinweber Co. \$5.00 baby merchandise, choice of store.

Third Prize Mrs. Haralson's Millinery, one hand-made baby bonnet, value \$5.00.

Fourth Prize: Parker's Confectionery, one \$3.00 box Jacob's chocolates.

In connection with the baby show the management of the Star has secured a special picture for the occasion a western mining story featuring House Peters and Louise Huff which will be sure to please young and old. Also Pathe Review.

This we assure you is a novel attraction so be sure to come out and see the little ones on the screen and win a prize.

[Two for One]—

Henry Batot was a business caller at this office Saturday and moved both of his dates up another notch. Mr. Batot was the second subscriber to renew his subscription to Farming for the second year, the first being Mr. D. W. Wiemers. Farming is only seven months old but it has already established itself in the confidence of a valuable clientele. To those who still lack confidence in its stability we make this guarantee—should Farming suspend your subscription to the Anvil Herald will be extended on the basis of four consecutive issues of the Anvil Herald for each copy of Farming you have paid for and will miss. What more can you ask for?

Ernest Hardt, son of H. G. Hardt of Yancey, is suffering from a fractured right arm, the result of a kick from the engine of the family Ford. In attempting to crank the car the engine back-fired, the crank catching the arm of the boy just above the wrist, breaking both bones of the arm. Surgical aid was called and the injured member given attention, and while Ernest will have to use a sling for a while it is hardly probable he will suffer any permanent injury from the mishap.

Mr. and Mrs. Paul Metzger and daughter, Miss Pansy, were the guests of Mr. Metzger's mother, Mrs. Fred Metzger, and other relatives and friends. They left Friday morning for their home at Wharton, Texas.

### CHAMBER OF COMMERCE MEETING.

There was a goodly attendance of members at the called meeting of the Chamber of Commerce last Tuesday night. C. J. Bless and H. F. King were re-elected as members of the Board of Directors and J. M. Finger was elected to succeed E. R. Leinweber, deceased. The terms of office of these members of the Board is three years.

Several matters of general interest to the town and community were discussed and a committee of six was appointed to collect annual dues from the members and to solicit new members. The annual dues are six dollars a year, and are payable in full now.

The treasurer submitted his annual report of receipts and disbursements, showing a balance of some \$15.00 in the treasury. This report was read by Judge L. J. Brucks, who followed its reading by an address in which he reviewed the past achievements of the Chamber of Commerce and outlined some of its plans for the future.

Matters pressing for the immediate attention of the organization is the renewal of the contracts for the night watchman and for the street lights, and steps looking to the rehabilitating of the fire department. All three of these are urgent.

[Two for One]—HONDO LUTHERAN CHURCH WILL BUILD PARSONAGE

In a meeting held last Sunday the members of the Lutheran Church voted the building of a parsonage on north side of the church grounds.

A committee consisting of C. J. Bless, Henry Frerichs, and Miss Mollie de Montel was elected and instructed, together with the stewards to inquire into the matter as to plans and costs and bring such information before another meeting. It is estimated that the building will cost about \$3,000.00.

The membership of the church has increased considerably lately, also the number of children attending the Sunday school, and the lady members are a strong and active organization. Walter Fous is the new treasurer in place of the deceased E. R. Leinweber.

[Two for One]—FAMILY GATHERING AT CHAS. FINGER HOME.

Last Sunday Mr. and Mrs. Chas. Finger were hosts to a family gathering at their home in this city. Mrs. Finger's mother, Mrs. J. M. Koch of San Antonio, is convalescing at the home of her daughter and was the occasion of bringing all of her family together to spend Sunday at her bedside. Those present were: Mr. and Mrs. Wm. Grimsinger and daughter, Ruby, of San Antonio, Dr. and Mrs. J. M. McLeese and son, Kenneth, of Eagle Pass, Mr. and Mrs. Oscar Rothe and daughter Melvira, and Mr. and Mrs. Oliver Reinhart and son Oliver Jr., of D'Hanis, Mr. and Mrs. Alfred Finger and son, Melvin, of Hondo, Miss Loretta Koch of San Antonio and the host and hostess, with her mother Mrs. J. M. Koch.

[Two for One]—LYCEUM COURSE.

"The 4 Embers" or the Embers Male Quartette, the second number of the Lyceum Course, which the business men of the town are backing, will appear here on next Thursday, January 18, at the Auditorium.

Each member of this quartette is a soloist of unusual ability and you will miss a treat if you fail to hear them next Thursday night. The personnel is as follows: George W. Thomas, First Tenor; Earl S. Renner, Second Tenor; James Ross MacKenzie, Baritone; John W. Lince, Bass; and Miss Mae Kards, Reader and accompanist.

[Two for One]—POPULAR PLAYER IN STRONG ROLE.

Edward Connelly, fresh from his success in "The Four Horsemen of the Apocalypse," will be seen in the main character role in support of Priscilla Dean in "Conflict," to be shown at the Star Theatre on Jan. 22. Connelly is one of the best known character men on the screen and is seen to advantage in this picture.

[Two for One]—

Louis Anthony Nitsch, a printer from San Antonio, and Miss Margaret Reyman were here Tuesday on a visit to Miss Reyman's father, Mr. Herman Reyman, the painter. They motored out from San Antonio in Mr. Nitsch's car.

## MOTHER! MOVE CHILD'S BOWELS

"California Fig Syrup" is Child's Best Laxative

Hurry Mother! A teaspoonful of "California Fig Syrup" now will thoroughly clean the little bowels and in a few hours you have a well, playful child again. Even if cross, feverish, bilious, constipated or full of cold, children love its "fruity" taste, and mothers can rest easy because it never fails to work all the souring

food and nasty bile right out of the stomach and bowels without griping or upsetting the child. Tell your druggist you want only the genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother, you must say "California." Refuse any imitation.

## IF BILIOUS, SICK! TAKE NO CALOMEL

"Dodson's Liver Tone" Straightens You Up Better Than Salivating, Dangerous Calomel and Doesn't Upset You—Don't Lose a Day's Work—Read Guarantee

You're bilious! Your liver is sluggish! You feel lazy, dizzy and all knocked out. Your head is dull, your tongue is coated; breath bad, stomach sour and bowels constipated. But don't take salivating calomel. It makes you sick, you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or ren-

dealer sells you a bottle of Dodson's Liver Tone for a few cents under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular. You will feel like working; you'll be cheerful; full of vigor and ambition.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can be taken by the most delicate. Give it to your child. Give it to your child.

## Neighborly Advice

Freely Given by a Hondo Citizen.

When one has suffered tortures  
from a bad back and found relief  
from the aches and pains, that per-  
son's advice is of untold value to  
friends and neighbors. The follow-  
ing neighborly advice comes from a  
Hondo resident.

B. H. Robinson, carpenter, says:  
"I was troubled with my kidneys. I  
had to get up three or four times at  
night to pass the kidney secretions  
which were scalding and highly col-  
ored. I had dizzy spells and black  
specks appeared before my eyes. My  
head ached and I had sharp pains  
through my kidneys. A friend told  
me of Doan's Kidney Pills and one  
box of Doan's regulated my kidneys  
and my back never aches now."

Price 60c, at all dealers. Don't  
simply ask for a kidney remedy—get  
Doan's Kidney Pills—the same that  
Mr. Robinson had. Foster-Milburn

DEVINE NEWSLETS.

From The Devine News.

Another well is to be located on the Jungman lease at Chicon Lake, real soon. The first well is under pump making 5 barrels, it is claimed.

In the Groos No. 1, two miles west of Devine, drillers spent 15 days on a rock, then went down 47 feet one afternoon, and then struck another rock. They have gone through several hard rocks and are still under 200 feet; or were Monday.

Work was resumed Monday on the \$12,000 school auditorium after two weeks lay off, during the holidays and waiting for the planing company to ship door and window frames, which have not yet arrived, and may yet delay the workmen more.

In the cases of Houston Bishop and Harrison Jenkins vs Adams Co. and Sheriff Bader, for \$60,000 damages, the verdict was for the defendants and Bishop and Jenkins take nothing, according to a jury in District court in San Antonio.

Mr. Jay E. Adams, of San Antonio, well known in Devine, owning a large farm a few miles west of Devine, died at his home in San Antonio, on Thursday of this week. Mr. Adams was known as a good man, by his friends and praised as such by tenants upon his property. He was a leading member of the Central Christian Church, of San Antonio, and contributed largely of his wealth to charitable and church purposes. He has been in failing health for several years and the end was not unexpected to friends. Mr. Adams was 61 years of age and leaves a wife three sons and a daughter.

DOCTOR'S OPINION—WET WASH IS SANITARY.

In this department you can have 20 pounds of family laundry work, washed with practically all the water extracted from same, just about damp enough to be ironed, for the price of ONE DOLLAR and ten cents. You can't possibly get this work done in any other way for the same price. Damp wash is solving a burden in many a home. All clothes weighed dry.

It's a saving in wood, soap, starch, blueing, tubs, pots, pins, meals, rain, smoke, fires, sickness and many other things you don't stop to consider.

Phone us we can do it. We don't claim to be perfect, but we do claim not to charge for work that is not perfect. Take it to Jennings.

## FAMOUS QUOTATIONS.

From the Huajillo Leaf.

"Oh, sleep! it is a gentle thing,  
beloved from pole to pole!"

"He prayeth best, who loveth best  
All things both great and small;  
For the dear God who loveth us,  
He made and loveth all."

"I may not hope from outward forms  
to win  
The passions and the life whose  
fountains are within."

"Life is but thought; so think I will

Ambition's less than littleness!"

"The days of our youth are the  
days of our glory."

"Men must reap the things they

O, Wind,

"Such is the tyrant's recompense,  
'tis just:  
He who is evil can receive no good."

Which bears the wine of life, the

Cash Surrender Value

The supper was over and Mr. and  
Mrs. Jones had settled down to a  
quiet evening in their living room.  
Father was deeply interested in look-  
ing over the latest sporting news,  
while mother was reading an absorb-  
ing piece of fiction.

Presently Jimmie, who had been  
amusing himself with some building  
blocks, interrupted his father:

"Father," said the youngster.

"Yes, what is it, son?" returned  
the parent.

"I heard Mrs. Smith say this after-  
noon that Mrs. Blank was going to  
get a whole lot of alimony."

"What about it?"

"Is it real money?"

"Sure, it is the cash surrender  
value of a husband."

Jimmie, somewhat puzzled, con-  
tinued to play with his blocks.

A Penny Saved—

For many minutes there had been  
a violent ringing at the night bell of  
a pharmacy until finally the druggist,  
who lived above, sleepily crawled  
into his clothes and went downstairs.  
At the door he was confronted by a  
son of auld Scotland.

"Five cents' worth o' bicarbonate  
of soda for indigestion, if ye please,"  
the latter requested.

"A nickels' worth of bicarbonate  
of soda at this time of night?" ex-  
ploded the druggist. "Getting me  
up for that when a glass of hot water  
would have done just as well!"

"Weel, weel," returned the Scot,  
pocketing his money. "I thank ye  
for the advice, and I'll no bother ye  
after all. Good night."—American  
Legion Weekly.

WONDERFUL WEATHER PRE-  
DICTIONS AMAZE THOUSANDS.

About forty years ago the Rev. Irl  
R. Hicks discovered and worked out  
for practical use an exact science in  
weather forecasting. This science is  
based on the equinoxes of the earth  
and the planets, the movements of  
the moon and planetary conjunctions.

Annually for thirty-five years  
weather predictions based on this  
science have been given to several  
hundred thousand readers through  
the medium of the Hicks Almanac,  
now known as the St. Louis Weather  
Book.

All the great hurricanes, torna-  
does, cyclones and general weather  
conditions during the past twenty-  
five years were predicted to the ex-  
act date, a year in advance. Thou-  
sands write us yearly testifying to  
the value of the predictions in this  
Almanac and several hundred thou-  
sands plan their work and business  
activity by it each year.

You will want a copy of this Al-  
manac for 1922. It has more than  
163 pages, and is fully illustrated.

Send 45 cents to The Lincoln  
Press, Publishers, 3403 Franklin  
Ave., St. Louis, Mo., and they will  
send you a copy parcel post paid.

RUDELPH L. HAASS DIES

SUDDENLY.

"In the midst of life we are in  
death" was never more truly illustrat-  
ed than in the passing of Rudolph  
Haass. Deceased was apparently in  
his usual health last Tuesday morning  
and was en route to Hondo to attend a  
meeting of the stockholders of the  
Hondo Farm Loan Association, of  
which organization he was a director.  
He stopped at Biry to supply his gaso-  
line tank, entering one of the stores  
for that purpose when without warn-  
ing he was stricken, his demise evidently  
being due to heart failure.

Deceased was a native of Medina  
county, being born at Haass' Settle-  
ment January 4, 1879, and had hardly  
reached the prime of life when the  
summons came, being but 44 years and  
5 days of age at the time of his pass-  
ing.

He was married on November 5,  
1903, to Miss Emma Bilhartz who, to-  
gether with seven children, five sons  
and two daughters, survive him. He  
is also survived by eight sisters and  
two brothers, besides quite a number  
of less near relatives.

The passing of the deceased has left  
a void in the hearts of all who knew  
him, as he was greatly esteemed by  
all who had the pleasure of his ac-  
quaintance.

The funeral, under the auspices of  
the W. O. W. Lodge of Hondo, of  
which the deceased was a member, oc-  
curred at 3:00 o'clock Thursday after-  
noon, a large concourse of friends from  
every part of the county being present  
to pay a last tribute of respect to the  
deceased.

By energy and frugality he had ac-  
quired a competency and left his loved  
ones in comparative comfort. Besides  
being a member of the W. O. W., he  
was also a member of the Medina  
County Home Relief Association and  
the Medina County Aid Society.

By the passing of this good man the  
commonwealth is poorer, for he was a  
man of sterling character, his influence  
always being exerted for the right.  
His place in his community and the  
county will be a hard one to fill.

To the grief-stricken family, bereft  
without warning of their protector,  
words of consolation are meaningless.  
Time, and time alone, can heal the  
wound that the passing of their loved  
one has caused.

CARD OF THANKS

We take this means of extending  
our thanks to our friends and neigh-  
bors for their many kind expressions  
of sympathy in our time of sorrow,  
and for their many acts of kindly  
helpfulness and assistance. We are  
especially grateful to the Woodmen  
of the World and to the Sons of Her-  
man Lodge for their assistance at the  
funeral, to those who attended the  
funeral, and for the beautiful floral  
offerings at the grave of our beloved  
husband and father, Rudolph L.  
Haass.

Yours in gratitude and sorrow,  
Mrs. R. L. Haass  
and Children.

acts of kindness will ever be re-  
membered and appreciated.

The Seer

The Boss: "We need a far-sighted  
man for that job, you know. Do you  
really think Jones is that sort?"

His Partner: "Well, he and I be-  
long to the same church and I've  
attended more than a dozen Sunday  
school picnics with him and he's never  
forgotten his umbrella."

The Boss: "He'll do."—American

And the Overhead?

"Are you sure you have shown me  
all the principal parts of this car?"  
asked the fair prospective purchaser.

"Yes, madam, all the main ones,"  
returned the dealer.

"Well, then, where is the depreci-  
ation? Tom told me that was one  
of the biggest things about a car."

No Worms in a Healthy Child

All children troubled with Worms have an un-  
healthy color, which indicates poor blood, and as a  
rule, there is more or less stomach disturbance.

GROVE'S TASTELESS CHILL TONIC given regu-  
larly for two or three weeks will enrich the blood,  
improve the digestion, and act as a general strength-  
ening tonic to the whole system. Nature will then  
throw off or dispel the worms, and the child will be  
in perfect health. Pleasant to take. 75c per bottle.

The Quinine That Does Not Affect the Head

Because of its tonic and laxative effect, LAXA-  
TIVE BROMO QUININE is better than ordinary  
Quinine and does not cause nervousness nor  
ringing in head. Remember the full name and  
look for the signature of E. W. GROVE.

THE THRICE-A-WEEK EDITION  
OF THE NEW YORK WORLD  
IN 1923 AND 1924.

Practically a daily at the Price of a  
Weekly. No other Newspaper in  
the World Gives So Much at  
So Low a Price.

The wide, wide world has become  
so narrowed by science that news  
from all around the globe is printed  
in the current New York World, to-  
gether with the views of nation  
builders, master men and leading  
women everywhere and particularly  
in the United States. No other  
newspaper is better equipped to give  
the news of the world at the time  
it is news than The New York  
World.

The Thrice-a-Week edition of The  
World is the greatest example of  
comprehensive journalism in Ameri-  
ca. It will keep you as thoroughly  
informed as a daily, which would  
cost five or six times as much. It  
is a unique newspaper, published  
three times a week, for \$1 a year.  
This is the regular subscription  
price and it pays for 156 newspapers.

We offer this unequalled news-  
paper and Fletcher's Farming to-  
gether for one year for \$1.25.

The regular subscription price of  
the two papers is \$2.00.

RAISED MEMBERSHIP TO 1500.

At a meeting of the members of  
the Medina County Aid Society held  
last Saturday afternoon, a motion  
was made and carried that the mem-  
bership of the Society be raised to  
1,500. Heretofore the membership  
has been limited to 1,000, but con-  
siderable pressure has been brought  
to bear on the Society for the past  
several years to increase the mem-  
bership, as there is a large number  
of applicants on the waiting list who  
were desirous of becoming active  
members.

The old board of directors were all  
again elected to serve for the coming  
year, to wit: H. E. Haass, Joe Ney,  
H. V. Haass, Sr., A. M. Lamm and  
Jno. Muennink; and Louis Scherrer  
of Castroville and Henry Crutchfield  
of Devine, were elected to the board  
in lieu of deceased members.

STAR TAKES BIG RISK

Priscilla Dean the beautiful star  
of "Conflict," the Universal-Jewel  
feature which comes to the Star  
Theatre on Jan. 22, underwent many  
thrilling experiences during the film-  
ing of certain scenes in British Col-

went on location.

"If Universal offered me a million  
dollars to do again what I did in  
'Conflict,' I would refuse. Life is too  
precious."
